Feature 特徵

Fresh Raw
新鮮製造

In order to provide customers with freshly prepared products, these items are frozen immediately without any heat treatment at the time of manufacture.

為了給顧客提供新鮮的產品，我們的產品不經任何加熱處理，直接冷藏。

Heat-treated
加熱處理

In order to reduce or eliminate the growth of microorganisms to increase the safety of the product, and to provide a more convenient cooking method for customers, these products have undergone some heat treatment during the manufacturing process.

為了減低微生物的生長機會和，提高食品的安全性和提供更方法的煮食方法給顧客，這些產品於生產已經加熱處理。

Fully Cooked
完全煮熟

This product is quick-frozen after the product is fully cooked in order to retain the taste of the most delicious product made right away. Since sufficient heat treatment has been applied, there is no change in quality even when safely stored in the freezer for a longer period.

為了保存產品的味道，生產時已完全煮熟，並且立即冷藏。經過加熱處理後，在長時間安全冷凍的情況下，食物的味道能夠保存。

Manufacturing Fine Food in NYC Since 1989

成立於1989年，真味食品公司是
紐約一間優質食品生產商

The Twin Marquis journey began in 1989 in a 3,000 square foot facility located in New York City's Chinatown district. Starting with fresh noodles and wrappers, we gradually expanded our business to frozen dumplings, becoming an indispensable partner in the dietary life of Asian American. In 2011, we became a family member of CJ, Korea's leading food company, and became a company that provides more diverse brands and products to customers.

工廠首設在紐約華埠，佔地面積三千平方米。從一開始只生產新鮮麵條和各類餃子皮，到後來慢慢擴展到冷凍餃子，真味已成為美國華裔日常飲食中不可缺少的一員。2011年，真味食品公司加入韓國食品公司CJ，致力提供顧客更多樣化的品牌和產品。
